LASER WELDER

**130J DESKTOP LASER SYSTEM
POWERFUL AND SIMPLE**

TECHNICAL FEATURES

Touch screen 99 - memories - Web cam out put

- desktop laser system - ht - 130J
- Feeding VAC: 230
- Feeding system phase n° :1
- Frequency Hz: 50-60
- Absorbed medium energy KW: 1,7
- Cristal laser type: Nd:YAG
- Wavelength nm: 1.064
- Impulse energy joule :0,1 -150
- Impulse duration ms: 05-20
- Repetition frequency hz: 0,5 - 30
- Medium power w: 100
- Max peak power kw: 7,0

Weight kg: 45kg

- Duty Cycle: 80%
- Spot laser sizes mm: 0,2 -2
- Maximum pressure gas argon of protection in exercise bar: 1,5
- Cooling type: liquid
- Fuse in socket: 12 AT
- Light regulation in working room
- Joystick inside working room for parameters regulation
- Automatic stand bye after 2 minutes not working
- Warranty: 2 years

Sizes cm:50x80x85h

WITH ITS REAL 130 JOULE HT+130 IS THE COMPACT LASER WELDER MACHINE FOR THE PROFESSIONAL USERS!

BEST LASER WELDER IN TOWN!
